

## **Brian Convoy**

I currently teach Theatre Arts and Debate at Moreland Middle School. I have taught elementary and middle school in the Moreland and Evergreen School Districts for the last 32 years. I taught part time in the Theatre Arts Department at San Jose State University from 1999 until 2009.

I am the founder and coordinator of the Greenkeepers, an environmental club at Moreland Middle School. Our group of 40 students engages in monthly environmental community service, conducts ongoing recycling on the Moreland Middle School campus, cultivates several gardens on campus, engages in environmental activism, and sponsors an annual Earth Faire.

I also direct the Moreland Comedy Players, a theatre group that performs year round at MMS, and I am the founder of the Moreland District Speech Tournament, now in its 19th year.
